**EMERGENCY PREPAREDNESS:**

The Clark Regional Emergency Services Agency (CRESA) designates parks as neighborhood gathering places during natural disasters and other emergencies. Because of this, the Felida Neighborhood Association has requested that a storage facility for emergency supplies and tools be included in Sgt. Brad Crawford Park, along with a kiosk or bulletin board for posting neighborhood and emergency preparedness information.

These types of items are not standard for neighborhood parks, and funding to install and maintain them is not provided for in the park budget. However, neighbors and neighborhood associations can ask the Parks and Recreation Advisory Commission to add them when appropriate, and help establish a plan to pay for installation, operations and maintenance.

Do you support the request to add a storage facility and informational kiosk or bulletin board to Sgt. Crawford Park?  Yes  No
