

What Would You Like to See in Your New Neighborhood Park?

Vancouver-Clark Parks and Recreation is currently developing a master plan for **Sgt. Brad Crawford Neighborhood Park**, located on NW 131st Street at NW 47th Avenue in the Felida neighborhood.

We want to hear from you!

Project staff will present three different master plan options for public review and feedback at the September 27 public meeting. Public input during the master planning process is very important and we encourage all interested neighbors to get involved!
