

Douglas Carter Fisher Neighborhood Park Comment Form

1. How important are the following neighborhood park elements? Mark the box next to each feature that best describes your views. Please note that the final park design may not contain all of these elements. Your answers will help set priorities:

	Very Important	Somewhat Important	Not Important	Don't Know/ No Opinion
a.) Short walking and biking trail				
b.) Small open grassy field for playing catch, Frisbee, etc.				
c.) Additional trees and landscaping				
d.) Screening and privacy plantings for adjacent neighbors				
e.) Playground equipment				
f.) Basketball half court/sport court				
g.) Picnic tables				
h.) Park benches/seating areas				
i.) Environmental education and observation opportunities				

2. Have you ever visited Covington Neighborhood Park? (check one) Yes No

If so, what did you do there? _____

3. Is there something special about this park as it is right now that you would like to keep during the upcoming park development process (i.e. views, access points, etc.)? _____

4. Would you support including natural play experiences in this park instead of traditional playground equipment? This might include log and rock climbing features, sand play areas, and environmental education opportunities.

Yes _____ No _____

Comments: _____

5. Do you have any concerns about this upcoming park development project? If so, please explain.

6. Do you have any other comments to share about this project?

Thank you for filling out our comment form! Your comments will help us prepare several different concept plans showing what this park might look like. These plans will then be presented at an upcoming public meeting for more neighborhood input.
